TUESDAY NOV. 8

is the fateful day! That date will decide who will be the statesmen to lead our nation over the next several years. Responsibility will lie heavy on their shoulders.

An equal responsibility faces each of us on that date. We don't refer to your choices, but the fact that you do make your selection. In a free society, such as ours, it seems purposeless to ask each citizen to vote. Yet, sad to relate, millions of eligible voters in every election do not exercise this sacred privilege.

The eyes of the world, both friendly to our way of life and those not so friendly, will be on us this date. Let us not shirk our duty. Let us not be complacent. Let us not be "too busy".

The Lion's of Mattapoisett, cooperating with fellow clubs throughout the United States, ask that each of you, who is proud to be an American, stand up and be counted on that day where it counts the most-in the ballot box.

Let us, here in Mattapoisett, show a 100% interest!! We'll see you at the polls.
